## CONFERENCE Aug 30-Sept 1, 2009

This conference will provide an overview of 25 years of progress using the Ecopath with Ecosim (EwE) approach in different fields: fisheries management, ecosystem comparisons, spatial analyses, climate impacts, and ecosystem-based management.

Call for abstracts will begin on January 1st, 2009.

Registration Fees (limit 120 participants): General \$300 Can | Students \$100 Can

## WORKSHOPS Aug 26-28 and Sept 2-3, 2009

Workshop I (3 days): **Introductory Workshop on EwE Version 6**

August 26-28, 2009

Registration Fees (limit 30 participants): General \$1000 Can | Students \$500 Can

Workshop II (4 half-day specialized workshops): **Applications of EwE Version 6**

September 2-3, 2009

Topics: Ecosed (spatial optimizations), economic modeling, interoperability and plug-ins, EwE and gaming.

Registration Fees (limit 30 participants): \$300 per workshop | \$1000 for all four

Suggestions on additional topics to be covered can be submitted before January 15, 2009.

## INTERNATIONAL ADVISORY COMMITTEE

Francisco Arreguin-Sanchez (CICIMAR\_IPN)

Steve Mackinson (CEFAS)

Jeffrey Polovina (NOAA)

Beth Fulton (CSIRO)

Howard Townsend (NMFS)

Lynne J. Shannon (UCT)

Philippe Cury (CRH)
